**Re: In re Cryptocurrency Collapse Litigation**  
**Lucky D, et al. v. Prager Metis, LLP, et al.**  
**District of New Jersey**  
**Civil Action No.: 2:23-cv-00389-KMM**

Dear Judge Moore:

I represent Plaintiffs in the Lucky D matter pursuant to Rule 24 who have moved to intervene in the proposed settlement of the putative class representatives with the auditor Defendants. Lucky D Plaintiffs are in receipt of the application by representatives of the proposed putative class asking the court to hold a conference with the court addressing case management of pending applications/motions in which they reference matters pending and unresolved filed by various parties earlier in the year. **Lucky D plaintiffs hereby join in the request for a scheduling conference preferably to take place on an expedited basis** given the pendency of the 23(e) proceedings as to approval of the settlement. Lucky D plaintiffs also would request that the conference encompass their pending intervention motion which was not mentioned by putative class plaintiffs in their correspondence.

Respectfully submitted,

s/ Anthony Scordo
